ACTION CLOCK RULES 2027 – PRIME CHAMPIONSHIP

1. Dealers will initiate the start of the Tournament Action Clock upon the completion of the deal. Time will begin for a player once the natural flow of play has come to a brief pause pending their action and be reset to the corresponding time for the next player to act.
2. The Action Clock will be introduced at the end of Level 15 for WPT PRIME TAIWAN CHAMPIONSHIP subject to Tournament Director discretion.
3. Prior to the tournament reaching the final table, players will have fifteen (15) seconds on their first Action Clock preflop, moving to thirty (30) seconds on the final table.
4. Once the tournament has reached the final table, players will have thirty (30) seconds on their Action Clock preflop.
5. Once a player has voluntarily placed chips into the pot, the Tournament Action Clock will increase to thirty (30) seconds for each subsequent action of that player until the hand has concluded. Any unused voluntarily placed chips into the pot will be forfeited.
6. The small and big blind are forced bets and are not considered voluntary.
7. When a bet or raise has been made, the dealer will count and announce the bet or raise (including All In bets) prior to starting the Action Clock for the next player.
8. To facilitate the smooth operation of the tournament, all tournament chips must remain in full stacks of twenty (20) chips, when available.
9. When breaking a table, a player must keep their time extensions and tournament chips in plain view while traveling to their new seat.
10. Each time extension will add an additional thirty (30) seconds to act.
11. Players will receive time extension chips at predetermined stages (set level or remaining number of players) as outlined on the structure sheet.
12. Players are required to keep all time extension chips visible and on the table at all times.
